

NIGHT ZERO

WELCOME TO COLORADO,
OUTDOOR RETAILER!

JANUARY 24TH, 2018

7:30 - 10:30 PM

MCNICHOLS BUILDING, 3RD FLOOR

144 W COLFAX AVE, DENVER, CO

In 2017, the Outdoor Retailer Show leveraged its powerful voice to take a stand for public lands and move the show to Colorado.

Join Colorado's environmental community, outdoor businesses, brands, and athletes in welcoming the Outdoor Retailer Show to Colorado as we share gratitude for the industry's leadership on public lands and collectively plant a stake in the ground on our shared issues: protecting public lands and wild rivers, and acting on climate.

It starts here, at Night Zero 2018, when we stand together to highlight a new standard for environmental advocacy within the outdoor industry and build new partnerships to achieve our goals.

Hear from Governor John Hickenlooper, along with
Caroline Gleich, Eric Larsen, Len Necefer, Luis Benitez & Peter Metcalf
