

COLORADO ENDANGERED SPECIES WEEK

May 13-19, 2018

Here in Colorado, we have over 300 animal and plant species that are at risk of becoming extinct. Colorado Endangered Species Week will bring awareness to this issue and empower people to take action to protect the biodiversity of our region.

Rocky Mountain Wild is hosting Colorado Endangered Species week in conjunction with National Endangered Species Day and would like to invite you to sponsor this event!

## ATTENDEES

## MEDIA SPONSORSHIP:

We are offering special incentives for organizations in exchange for marketing outreach efforts. In exchange, your organization will receive the same benefits as a Friend sponsor. To qualify, just commit to spreading the word about the week:

1. Send an email message about the event to your members;
2. List the event on your site through May 19th;
3. Use social media outlets to promote the week.

## CASH SPONSORSHIP:

We have four levels of sponsorship - Friend, Activist, Tree Hugger, and Eco-Warrior - each with their own benefits, including:

1. Recognition in the program/website (name, link, logo, or ad);
2. Tickets to the event of your choice during the week;
3. Shout out from the “stage” of an event;
4. Event sponsorship - top mentions for one of the week’s events and an exhibit table.
