The Rocky Mountain Wild Experience!

This year, participants in our annual “UnGala” are invited to celebrate our 20-year anniversary by becoming part of the Rocky Mountain Wild team and experiencing our work! Using technology, participants will “fly over” the habitats we protect. They will join our biologists in activities to save imperiled species. And, they’ll get a sneak-peek at what we have planned for the next 20 years, all while watching the sunset over the Rocky Mountains from the 32nd floor of a downtown skyscraper.

They’ll be treated to wildlife-friendly vegetarian and vegan tapas and complimentary beer and wine. And once again we will host the “The Most Awesome Environmental Silent Auction on the Front Range.”

Rocky Mountain Wild would like to invite you to join in the celebration and sponsor this event in support of our 20-year anniversary and efforts to protect wild lands for wildlife in the southern Rocky Mountains!
